

TigerTurf Specification Sheet

Sierra 35

Landscape

Application(s)

Landscape

Description

The Sierra line is a premier landscaping product featuring field green and lime green colors paired with a brown thatch and has 1.673 gr. pile weight. Soft to the touch, the intentionally narrow blade design allows the product to accurately resemble real grass. The product's light colors make it ideal for both residential lawns and commercial features. Recommended Use: Moderate Traffic
